

Request for Authorized Absence from Strike Picket Duties

While the principle of labour action is to withhold all labour, including attendance at conferences, we also do not wish to cause undue hardship for our Members. If you have already planned/booked to be away for a conference or some other reason after November 7th please inform us of this by filling out the attached form and returning it to the office (office@uoitfa.ca).

If your request is approved, and if we are able to find you alternate duties or you are able to make up extra shifts on the picket line, then you may qualify for strike pay. If we are not able to arrange for alternate duties and/or you are unable to make up missed shifts on the picket line then you will not be eligible for strike pay.

The requests will be reviewed and approved by the President, Vice-President and the Treasurer.
